### OPENER - MIDDLE BREAK - CLOSER

Four ladies chain and go 3/4 round the ring  
Then you roll away 1/2 sashay and circle left  
Walk all around the corner, turn your partner by the left  
Men star by the right in the middle, it's once round the set  
One time around to the corner there and go left allemande  
Swing the girl go once around and you promenade the land  
You promenade this lady go right back home and then  
I got a feeling we're gonna be feeling  
That old time feeling again

### FIGURE

1 & 3 square thru four hands around you go  
Around the corner lady there you do a dosado  
You swing thru go two by two, boys run right and then  
Couples circulate, you're going to wheel & deal and then  
You swing thru again and now the boys cross fold  
Pass thru, trade by, swing and promenade  
You promenade this lady, go right back home and then  
I got a feeling we're gonna be feeling  
That old time feeling again

### TAG

I got a feeling we're gonna be feeling  
That old time feeling again
