Called by

OPENER - MIDDLE BREAK - CLOSER

Sides face, grand square

Hold me, never let me go until you told me

What I want to know and then just hold me

Make me tell you I'm in love with you

Allemande left and weave the ring

Thrill me

Walk me down the lane where shadows will be

Swing the girl around and promenade her

Tell me darling I'm in love with you

FIGURE

Heads (sides) square thru from where you are

And with the sides you make a right hand star

The heads star left one time around you go

To the corner lady, do a dosado

Swing thru, the boys you trade and then you swing her

Swing the girl around and promenade her

Make me tell you I'm in love with you

FIGURE (ALTERNATE)

Heads promenade and travel halfway

Sides a right & left thru

Square thru and go r hands around the land

Box the gnat and do a right & left grand

Kiss me and when you do I know that you will swing me

Swing the girl around and promenade her

Make me tell you I'm in love with you
