

Long Way To Go

IR-114

Called by
Willis Simmons

OPENER

Circle left

Well, I drove down to the ocean
Left my headache way behind
Left allemande got to dosado
Left allemande weave the ring
I've got a bug in my margarita
Swing your girl around and promenade
I've got a woman I'm trying to drink away
I've got a long, long way to go

FIGURE

Heads (sides) promenade and go halfway around
Walk in and square thru go four
Go all the way and do a right & left thru
Veer left and ferris wheel, you go
You square thru and go now, it's three hands around
Swing that corner girl and promenade
I've got a woman I'm trying to drink away
I've got a long, long way to go

MIDDLE BREAK - CLOSER

Four ladies promenade, it's one time around
Back home and swing with your man
Join up hands, circle to the left around that ring
Left allemande and weave the ring
I've got a bug in my margarita
Swing your girl and promenade
I've got a woman I'm trying to drink away
I've got a long, long way to go

TAG Ladies chain across and chain 'em back
I've got a long, long way to go
