

Knee Deep In My Heart

(KDM-120)

Called by: Chris Froggatt Sydney, Australia

Mainstream

Opener, Closer, Middle break

Four ladies promenade, go once inside the ring
Get back, swing your man, everybody gonna swing
Join hands, circle to the left round you go
Allemande your corner and weave the ring
* Act so sweet, but you're guilty as charged
Swing your girl and promenade tonight
I caught you out red-handed, knee deep in my heart

Figure - twice for Heads, twice for Sides
Heads you square thru, four hands around I say
Round your corner dosado, once around that way
Touch a quarter, scoot back
Single hinge, girls trade, swing thru
Boys run, tag the line, girls turn back
Swing your Corner, promenade go round like that
I caught you out red-handed, knee deep in my heart
