

On The Eighth Day

(KDM-141)

Called by: David Gilroy Newcastle Australia

MAINSTREAM

Opener, Middle Break, Closer

(Sides face, grand square)

It took the Lord just six days to make the mountains

The oceans and the rivers, the valleys and the hills

Then life on earth began, but there was more to the plan

He took the seventh day just to rest, and then (circle left)

On the eighth day God created music

He put the leaves in the breeze (allemande left and promenade)

Then he gave the wind a song, and the birds they sang along

And the world joined in perfect harmony

Figure - twice for Heads, twice for Sides

Heads promenade you travel halfway

Lead right and circle, break out and make a line

Up to the middle and back, star thru like that

Dosado, and do an 8 chain 5

On the eighth day God created music

He put the leaves in the breeze, swing your corner, promenade

Then he gave the wind a song, and the birds they sang along

And the world joined in perfect harmony
