Called by: Chris Froggatt Sydney, Australia

Opener and Middle Break

Four ladies chain, turn the girl you know
Roll away and then you circle (rock your baby)
Four ladies roll away, circle you know (rock your baby)
Allemande left, weave that ring
There's nothing to it
Swing the girl, you promenade round you go
Open up your heart, and let the loving start

Figure - twice for Heads, twice for Sides

Heads pass the ocean, extend
Swing thru go two by two now, boys run right
As couples circulate, chain down the line (why don't you rock your baby)
Pass the ocean, girls you trade, swing thru
Corner swing, you promenade round you know
Open up your heart, and let the loving start

Closer

Four ladies chain across that ring, turn the girl you know
Roll away and circle left (rock your baby)
Four ladies roll away, circle the ring (rock your baby)
Allemande left and weave the ring
Woman, take me in your arms, rock your baby
Swing, promenade
Woman, take me in your arms, rock your baby
