

I Love You And Don't You Forget it

(KDM-160)

Called by: Chris Froggatt Sydney, Australia

Opener, Middle Break & Closer

(Circle left)

Well, I love you and don't you forget it, I love you and don't you forget it
I love you, don't you forget it, baby!

Men star right, one time, hey look for the corner girl

Left allemande that corner, weave the ring now

Love me too and you won't regret it, love me too, you won't regret it

Swing your girl, promenade her

* Love me too an' you won't regret it

** There, that's one more time that I've said it

Love me too an' you won't regret it, now!

(Alternate words for Middle Break)

* Love me too an' you won't regret it

** That makes seven times that I've said it

I don't see how you can forget it now!

(Alternate words for Closer)

** That makes twenty times that I've said it

Figure - twice for Heads, twice for Sides

Heads you promenade, travel halfway

Sides go right and left thru

Sides flutterwheel, sweep one quarter

Pass thru, dosado, 8 chain 4

** I love you in the Springtime, I love you in the Fall (Swing, promenade)

In the morning and in the evening, and when it's cloudy or clear

I'm in love with you, so in love with you, every day of the year!

(Alternate words for 8 chain 4)

** When you're in my arms, I love you most of all
