

Lava Song

(KDM-175)

Called by: Di Ashton

Opener

(Sides face, grand square)

A long, long... time ago, there was... a volcano

Living... all alone in the middle of the sea

(Four ladies chain) He sat high above his bay

(Chain her back) Watching the couples play

(Promenade) Wishing... oh, that he had someone, too

Figure - Twice for Heads, Twice for Sides

Heads (Sides) promenade halfway around

Walk in and square thru four hands round

Four hands around, a right and left thru, veer left, couples circulate

Chain down the line, square thru three hands round

Swing your corner, and promenade

* He sang his song of hope for years, and years

* But living in the sea below, was another volcano

* But little... did he know, she was listening to his song

* Both together now, oh... their lava grew and grew

Middle & Break Closer

(Sides face, grand square)

I have a dream, I hope will come true

That you're here with you, and I'm here with you

(Four ladies chain) # I wish that the Earth

(Chain them back) # And the sky up above

(Promenade) will send me someone to lava

That you'll grow old with me, and I'll grow old with you

We thank the Earth... And the sky we thank too

(Tag) And I lava you!
