Kuniko Kawashima

OPENER : Circle left

Working in the cotton field all day long
Picking that cotton and singing this song
There's one thing that keeps me goin'
It's knowin' what's awake when I come home
Allemande left that corner, dosado
Men star left, one time around go, turn your partner by the right,
Left allemande, come back swing, promenade
Cornbread, beans and sweet potato pie, Eat'em every day until I die
Love my mama and the apple of her eyes
Cornbread, beans and sweet potato pie

FIGURE

Heads two promenade go halfway you around
Sides square thru four now all the way,
Right and left thru, Eight chain 6 across the track,
Cornbread, beans, and sweet potato pie, Swing the lady, promenade
Cornbread, beans, and sweet potato pie, Eat'em every day until I die
Love my mama and the apple of her eyes
Cornbread, beans, and sweet potato pie

MIDDLE BREAK : Circle

Mama gets ready when kid folks come
Kids get together and have a lot fun, If a little baby starts to cry
