That's The Way Love Goes

CALLED & HARMONY VOCAL BY
Kumi Takahashi

CALLED BY
Koji Harai

OPENER : Sides face grand square

I've been throwing horseshoes, Over my left shoulder
I've spent most all my life, Searching for that— four-leaf clover
Four ladies promenade once inside the ring
Swing your man, promenade I sing
Don't you know I love you too, And that's the way love goes

FIGURE

Heads promenade 1/2 way you round, Lead right and Swing thru
Boys run, Couples circulate you do,
Bend the line, Reverse flutter wheel and go-o-o-o,
Touch 1/4, Walk and dodge, Swing corner Promenade
Don't you know I love you too, And that's the way love goes

MIDDLE : Sides face grand square

That's the way love goes babe, That's the music God made
For all the world to sing, It's never old - it grows
Allemande and weave
Losing makes me sorry, You say "Honey, don't worry"
Don't you know I love you too, And that's the way love goes

ENDING : Sides face grand square

That's the way love goes babe, That's the music God made
For all the world to sing, It's never old - it grows
Allemande and weave
Losing makes me sorry, You say "Honey, don't worry"
Don't you know I love you too, And that's the way love goes
