FROSTY THE SNOWMAN by Corben Geis
SFGS

Frosty the snow man, was a jolly happy soul
With a corncob pipe and a button nose
And two eyes made out of coal
Frosty the Snowman is a fairytale they say
He was made of snow but the children know

ALLEMANDE LEFT & WEAVE

There must have been some magic in that old silk hat they found
Swing and promenade, walkin' round the town
Frosty the snow man, was alive as he could be
The children say he could laugh and play
Just the same as you and me

FIGURE Basic, corner progression

1 & 3 square thru 4 hands around you go
Around the corner lady there and do a dosado
Swing thru and go, boys run right you know
Hey bend the line and then a right & left thru you go
Flutter wheel go full around and star thru and go
Swing and promenade, walkin' round the town
Frosty the snow man, was alive as he could be and The kids all say he could laugh and play. Just the same as you and me

CLOSER Mainstream

Sides face, grand square
Frosty the snow man, knew the sun was hot that day
So he said, "Let's dance and have some fun now before I melt away"
Down through the village, with a broomstick in his hand
Runnin' here and there all around the square ALLEMANDE LEFT & WEAVE
He lead them down the streets of town right to the traffic cop, and he only paused a moment when they heard him holler "STOP!"
Frosty the snow man, had to hurry on his way
But he waved goodbye saying "Don't you cry
I'll be back someday"
