

Roses In The Snow

RH-212

Called by
Darryl McMillan

OPENER - MIDDLE BREAK - CLOSER

4 ladies promenade the inside
Gonna get back home and swing with your man
You join hands and circle left now
Left allemande and weave the ring
Our love was like a burning ember
Swing your lady and promenade
We had sunshine in December
And grew our roses in the snow

FIGURE

Head couples square thru you go 4 now
And with the sides do the right & left thru
You square thru but on your 3rd hand, spin chain thru
Girls you circulate go 2

And grew our roses in the snow
