### OPENER - MIDDLE BREAK - CLOSER

4 ladies promenade you go once around that ring I said  
Get back home and swing there with your man  
Join your hands you circle left, you're gonna move it around that set  
Allemande that corner, weave the ring  
It was an attitude adjustment, it'll work every time  
Swing your lady, go round and round, promenade in time  
\*The old boy jumped up and he opened his mouth  
\*\*She hit him on the head and straightened him out  
An attitude adjustment, it'll work every time

### FIGURE

Head couples promenade go halfway around I said  
Walk in and square thru go 4  
Come on it's 4 hands around and then  
Swing thru with the outside two  
Boys you trade and boys run right, bend the line  
You pass the ocean then all 8 circulate  
Swing that corner go round and round  
You promenade I said  
Well she don't nag and I don't beg  
We get along and like I said  
An attitude adjustment, it'll work every time

### ALTERNATE LYRICS

\*Now she says I'm her kind of man  
\*\*She comes around me with her hat in her hand  
  
\*My head is black, my legs are blue  
\*\*Both kneecaps are bit clean through
