OPENER - MIDDLE BREAK - CLOSER

Four ladies chain you go 3/4
You roll away then circle left
I know I've taken you for granted
Left allemande and weave the set
It tears me up when you go to pieces
Swing your own and promenade go home
Trying hard don't always make it easy
Hearts aren't made to break, they're made to love

FIGURE

Head couples square thru go 4 now
And with the sides you make a right hand star
Heads star left in the middle a full turn you go
Same two you do the right & left thru
Swing thru and then those boys run to the right
Do a half tag, swing and promenade
Trying hard don't always make it easy
Hearts aren't made to break, they're made to love

TAG
