

Who, What, Where, When, Why, And How

RH-224

Called by
Darryl McMillan

OPENER - MIDDLE BREAK

Sides face, grand square
*Who's been calling here so often
What's he want, come on start talking
Where have you been out this time of night
When did you last kiss me baby
Why are you so tired lately
How come you can't look me in the eye
Circle left
Who, what, where, when, why, and how
Allemande that corner, you swing, then promenade
If you plan to go I think I've got a right to know
Who, what, where, when, why, and how

FIGURE

Head (side) couples promenade you get 1/2 way around that ring
Walk into the middle & do the right & left thru
You flutter wheel across that floor, sweep 1/4 more
You pass thru & do the right & left thru
Why don't you swing thru & then you swing thru again
Swing that corner girl & promenade my friend
If you plan to go I think I've got a right to know
Who, what, where, when, why, and how

CLOSER

4 boys you promenade you go once around that ring I said
You get back home & swing there with your own
You join up hands & circle to the left you go movin' around
Allemande that corner girl, you're gonna weave around that town
Oh who, what, where, when, why & how
I need some answers honey right now
I still love you so, I think I've got a right to know
Who, what, where, when, why, and how

ALTERNATE LYRICS

*Who will love you for the long run
What if you should choose the wrong one
Where will he be when you're old and grey
When has my love been unfaithful
Why should you be so ungrateful
How can you forget the vows we made
