

Heaven In My Woman's Eyes

OPENER

Sides face grand square
It's cold this time of year and the people in this city make it colder
They've all forgotten what it means to lend a hand
Or cry on someone's shoulder
Four ladies chain across and back
In this land of opportunity we fight so hard to make an extra dime
Promenade
It would surely get the best of me without
The heaven in my woman's eyes

FIGURE Head couples square thru four hands around that ring you go
Swing thru, boys run right, couples circulate tonight
Chain down that line
Star thru, pass thru, trade by
Swing thru, and then
Boys trade, girls turn back, promenade
Life on earth would sure be sad without
The heaven in my woman's eyes

MIDDLE BREAK

Sides face grand square
Simplicity was once a way of life
Now it's buried with our past
A dollar used to go a long way
Now it just goes fast
Four ladies chain across and back
Oh how I wish that I could be as free as an eagle when he flies
Promenade
But the only time I'm free is when I feel
The heaven in my woman's eyes

FIGURE

Heads promenade half way
Down the middle a right & left thru
Square thru 4
Split the outside, separate round one
Star thru, California twirl
Swing thru, boys trade, swing, promenade
Life on earth would sure be sad without
The heaven in my woman's eyes

CLOSER

Sides face grand square
It's the heaven in my woman's eyes
That makes this life a better place to be
It's the heaven in my woman's eyes
That gives the inspiration that I need
Four ladies chain across and back
Sometimes it seems a man is born to lose no matter how hard you try
Promenade
It would surely get the best of me without
The heaven in my woman's eyes

TAG

Allemande left then swing
The only time I'm free is when I feel the heaven in my woman's eyes
