

Back On My Mind Again

RH-503

Called by
Tony Oxendine

OPENER - MIDDLE BREAK - CLOSER

Sides face, grand square
I took some time to clear my mind
To give myself a change of atmosphere
I had some fun, lying in the sun
Daytona's nice this time of year
Circle left
I saw lovers hand in hand
Building castles in the sand
Left allemande and promenade
Just when I think I'm through loving you
You're back on my mind again

FIGURE

Heads square thru 4 hands you know
Dosado your corner lady there, make your wave
Swing thru and then boys run around this girl
Couples circulate, move up, wheel & deal
Pass thru, trade by
Swing this corner lady
Left allemande, promenade
Just when I think I'm through loving you
You're back on my mind again
