OPENER - MIDDLE BREAK - CLOSER

Four ladies chain across that ring you know
You roll away and circle left
Four ladies roll away and circle round that ring
Left allemande and weave the ring
Why don't you hold me, and love me
Swing that girl and promenade you see
Because I ain't got nothing but lovin girl
Eight days a week

FIGURE

Heads you're gonna promenade 'em half way round
Sides square thru and keep in time
Four hands around a right and left thru my friend
Eight chain six around that town
Why don't you hold me, and love me
Swing that corner, promenade you see
Because I ain't got nothing but lovin baby
Eight days a week

TAG

Sides face, grand square
