

Your Love Has Lifted Me Higher

RH-511

Called by
Tony Oxendine

OPENER - MIDDLE BREAK - CLOSER

Sides face, grand square
Your love has lifted me higher
Than I've ever been lifted before
So keep it up, quench my desire
And I'll be at your side forever more
Four ladies chain across that ring, you turn your lady
You chain her back then we'll all promenade
Oh, when you wrap your loving arms around me
I can stand up and face the world again

TAG

Swing her man
Your love has lifted me higher

FIGURE (twice for heads, twice for sides)

Well now the heads you promenade and travel all the way around
Sides square thru and you keep in time now
Four hands around and then a right and left thru you know
Swing thru two by two and then the boys run
You half tag, scoot back, and the corner lady swing
Swing that corner, promenade
So keep it up, quench my desire
And I'll be at your side forever more
