

(I Feel Sorry For) Anyone Who Isn't Me Tonite

RH-601

Called by
Tony Oxendine & Darryl McMillan

OPENER - CLOSER

Sides face, grand square

*When you made love to me tonight

I felt as if I'd died and gone to heaven

And if that's how it feels to die

Then lay me in your arms, I'm through with living

Join hands, circle to the left

**I'd get down on my knees and than the good Lord up above

Left allemande the corner, weave the ring

And I feel sorry for anyone who isn't me tonight

Do a dosado and promenade

Your love has sent me flying, and I'm higher than a kite

And I feel sorry for anyone who isn't me tonight

FIGURE Head couples promenade halfway around the ring you go

Down the middle with a right & left thru, turn the girl

Square thru and then 4 hands around you go

Dosado, make an ocean wave

Swing thru and then, spin the top my friend

Boys move up and do a right & left thru

Square thru 3/4 around and the corner lady swing

Swing that corner, promenade

Your love has sent me flying, and I'm higher than a kite

And I feel sorry for anyone who isn't me tonight

ALTERNATE LYRICS

*You've got the kind of body that was made to give a man a lot of pleasure

And what you're giving me tonight is more than anything on earth can measure

**Every inch of you that's woman makes me that much more a man
