Well I don't know why I'm smiling, but I feel this urge to grin
If I try to charm you, well that's just the mood that I'm in
If I want to act real cool, that's just the way that I feel
You don't have to buy my stuff, if you don't like my deal
I'm the one Mama warned you about, I'm the guy Mama told you about
Take another look and then look out!
Mama warned you

Well, I just want to bare the facts to help you understand
Sometimes when two bodies touch, things get out of hand
And if I say some things to you that sound a bit bizarre
Well, it's just to let you know up front what my intentions are

I'm the one Mama warned you about
I'm the guy Mama told you about
Take another look and then look out!
