*There's a lot of ways of saying what I want to say to you
There's songs and poems and promises and dreams that might come true
Left allemande the corner come back you dosado
Those men star by the left in the middle and roll it once you know
You turn the partner by the right and go left allemande
Come back one and swing your own and promenade that land
I can't begin to tell you of the happiness I've found
My world lights up whenever you're around

FIGURE

Head couples promenade go halfway you go
Walk into the middle and square thru go 4 hands you know
4 hands around and then go right & left thru and turn the girl
You veer to the left and the ladies trade then bend the line
You pass thru, do a U-turn back and star thru and go
You trade by and swing the corner, promenade her home
**Well I love you just as much as when you wore your wedding gown
My world lights up whenever you're around

TAG

ALTERNATE LYRICS

*There's so many ways your sweet love turned this house into a home
*I'll tell you how I miss you when the nights are young it seems

**Well I'll let you know how much it means just having you around
**I still think you're pretty in that faded cotton gown
**Well I won't talk of starry nights or moonlight on the ground
