RIGHT BACK WHERE I STARTED AGAIN

RR-1005

OPENER/MIDDLE BREAK/CLOSER

(Circle Left) *I've been up and down, around and round
And back once again
I've been so many places, I can't remember where or when
Walk around your corner, see saw your own
Left allemande and weave the ring
I've traded love for pennies
I've sold my soul for less
Swing your girl then promenade around the set
I've turned inside out, around about and back once again
I found myself right back where I started again

FIGURE

(Head/Side) couples square thru 4 hands you know
Meet your corner then touch one quarter go
Split circulate, single hinge
Girls trade, then the girls run right
Tag the line all the way thru
Boys turn back and then
Star thru, couples circulate and promenade her too
I've turned inside out, around about and back once again
I found myself right back where I started again

MIDDLE BREAK

*Once I had myself a million, now I've only got a dime
But the difference don't seem quite so bad today

CLOSER

*Now I'm on my second circle, hope I'm headed for the top
Cause I've learned a lot of things along the way

TAG

I found myself right back where I started again
