

Ten Rounds With Jose Cuervo

SDB-110

Called by
Joe Saltel

Opener: Sides Face Grand Square
When I walked in the band just started. The singer couldn't carry a tune in a bucket.
Was on a mission to drown her memory but
I thought no way with Allemande and Weave *all this ruckus.
But after one round with Jose Cuervo, I caught my boots tappin 'long with the beat.
And after two rounds with Jose Cuervo, That band was sounding pretty darn good to me.

Figure 1:
Heads Square Thru Four hands around now, find that girl and dosado
Swing Thru - Boys Run - Bend the line do the Right and Left Thru
Flutterwheel across and Slide Thru
Swing that girl and all Promenade
Then after three rounds with Jose Cuervo
*I let her lead me out on the floor

Figure 2:
*After four rounds with Jose Cuervo
*I was showin' off moves Sides Face Grand Square *never seen before.

Middle Break & Closer: SFGS
Well, around five or round six, I forgot what I came to forget.
After round seven or was it eight
I bought a round for the Allemande and Weave *whole dang place!
After nine rounds with Jose Cuervo, They were countin' me out and I was about to give in
Then after ten rounds with Jose Cuervo, I lost count and started countin' again!
