

## Old Bones

SDB-122

Called by  
Bob Thomas

Opener:           Sides Face Grand Square  
Old bones inside an old raincoat  
Old bones inside of old shoes  
Allemande and Weave  
Old friends at the hotel  
Come by to wish me well  
And keep me up to date on all the old news

Figure:  
Heads Square Thru Four Hands you go now  
Dosado – Swing Thru – Swing Thru again  
Recycle - Sweep a Quarter  
Square Thru 3 hands  
Swing and Promenade  
And keep me up to date on all the old news

Middle Break:           Sides Face Grand Square  
But I love life, I'd like to do it again  
Though I might not be much more than I've ever been  
Allemande and Weave  
Just to have the chance to turn back the hands  
And let my life begin  
Oh yeah, I'd like to do it again

Figure:  
Sides Square Thru Four Fands you go now  
Dosado – Swing Thru – Swing Thru again  
Recycle - Sweep a Quarter  
Square Thru 3 hands  
Swing and Promenade  
And keep me up to date on all the old news

Closer:           Sides Face Grand Square  
But I love life, I'd like to live it again  
Though I might not be much more than I've ever been  
Allemande and Weave  
Just to have the chance to turn back the hands  
And let my life begin  
Oh yeah, I'd like to do it again
