SDB-124

OPENER

Sides face grand square
Thank you very much! Thank you very much!
That's the nicest thing that anyone's ever done for me
It sounds a bit bizarre, the things the way they are
Left allemande your corner and then you weave that ring
And if I had a flag I would wave it!
Dosado and promenade your lady home
But since I left my flag at home, I'll simply have to say
Thank you very, very, very much

FIGURE

Heads (sides) promenade go halfway round the ring
Now the Sides (heads) right & left thru and turn the girl for me
Square thru you go four hands ya know
Dosado your corner do an eight chain four
* And if I had a bugle I would blow it! (Bugle Toots)
Swing your corner and promenade her home
**But since I left my bugle at home I'll simply have to say
Thank you very, very, very much

ALTERNATE LYRICS

* And if I had a drum I'd have to bang it! (Bass drum thumps)
* And if I had a cannon I would fire it! (Cannon Boom)
* And if I had a bell I'd have to clang it! (Bell Clang)
**But since I left my (drum, cannon, bell) at home

Thank you very, very, very much
