OPENER

Sides face grand square
Every day's a new day in love with you
With each day comes a new way of loving you
Allemande left, weave the ring
Every time I kiss your lips
My mind starts to wander
And if all my dreams come true
I'll be spending time with you

FIGURE

The Heads (Sides) square thru four hands now
Round the corner dosado
Your gonna swing thru and now spin the top
And then boys move up a right & left thru
You're gonna square thru 3/4 round now
You're gonna swing and promenade her
And if all my dreams come true
I'll be spending time with you

MIDDLE BREAK - CLOSER

Sides face grand square
Oh, I love you more today than yesterday
But not as much as tomorrow
Allemande left, weave the ring
I love you more today than yesterday
But, darling, not as much as tomorrow

TAG

Four ladies chain over and back
Every day's a new day, every time I love ya
Every way's a new way, every time I love ya
