

All My Friends Say No

SDB-147

Called by
Bob Thomas

Opener Sides Face Grand Square
I got smoke in my hair
My clothes thrown everywhere
Woke up in my rocking chair
Holding a beer in my hand
Sporting a neon tan
Allemande and Weave
All my friends say
I started shooting doubles
When you walked in
All my friends say
I went a little crazy
Seeing you with him

Figure :
Heads / Side Square Thru Now
Four Hands around that ring you go
Dosado – Swing Thru
Boys Run – Ferris Wheel
Pass Thru - Star Thru
Square Thru go 3
Swing and Promenade her for me
I was a rock star, party hard
Getting over you, comeback kid

Middle Break: Side Face Grand Square
My stereo cranked up
I can't find my truck
How'd I get home from the club?
Ain't got a clue what went down
So I started calling around
Allemande and Weave
All my friends say
I started shooting doubles
When you walked in
All my friends say
I went a little crazy
Seeing you with him

Closer: Sides Face Grand Square
And all my friends say
I started shooting doubles
When you walked in
All my friends say
I went a little crazy
Seeing you with him
Allemande and Weave
You know I don't remember a thing
But they say I sure was raising some cane
I was a rock star, party hard
Getting over you, comeback kid
Yeah, I must have did
