Men in the middle like an allemande thar and back it down that line
Slip the clutch, skip one, allemande left and right and left grand
Oh them Golden slippers, oh them golden slippers
Swing and promenade,
Oh them golden slippers, oh them golden slippers
Them golden slippers I'm gonna wear to walk the golden way

Figure:

Heads(Sides) lead to the right and circle, head men break,
make a line, go forward and back, pass thru with a wheel and deal, double pass thru, first go left, next go
right, you square thru 4, 4 hands and then, swing that corner and promenade
Oh them golden slippers, oh them golden slippers, gonna wear to walk the golden way
