

## Maple Sugar Queen

SDR-1004

Called by  
**Tony Simmons**

Sides face, grand square  
She's my maple sugar sweetheart, she's my maple sugar girl  
This girl from up in Canada, can set my heart awhirl  
She's pretty as a flower and just as fresh as spring  
She's my maple sugar sweetheart, my maple sugar queen  
All four ladies chain, go straight across that ring  
Now chain those ladies right back home, promenade again  
Her hair is like the raven, her eyes are northern green  
She's my maple sugar sweetheart, my maple sugar queen

FIGURE Mainstream, corner progression  
Those heads (sides) square thru four hands around you go  
Then with the corner lady, you do a dosado  
Swing thru 2 by 2, boys run right and then  
Tag your line, go all the way, do a cloverleaf and then  
Girls square thru 3 hands around you go  
Swing the corner guy, promenade them home  
She's pretty as a flower and just as fresh as spring  
She's my maple sugar sweetheart, my maple sugar queen

MIDDLE BREAK - CLOSER  
Allemande left, allemande thar, go forward two and star  
The men swing in right, there you go and back it down the line  
Shoot that star, a full turn, pull the partner by  
Left allemande the corner and weave around on high  
Wind in and out around, you meet your maid  
Dosado right there and then you promenade  
She's pretty as a flower and just as fresh as spring  
She's my maple sugar sweetheart, my maple sugar queen
