

I'll Do It All Over Again

SIR-204

Called by Ingvar Pettersson

OPENER

Circle left

Was I right, was I wrong

A little too weak or a little too strong

Left allemande, dosado

Left allemande the corner, weave the ring

But I know that my heart will mend

You gotta swing and promenade the land

I'll get back on my feet and then

I'll do it all over again

FIGURE

Heads (sides) square thru 4 hands and then

Dosado, you swing thru, boys run right

Tag the line, cloverleaf and go

Girls square thru 3 hands round

You gotta swing and promenade him home

I'll get back on my feet and then

I'll do it all over again

BREAK

Circle left

Some you lose, some you win

They say that's the way it's always been

Left allemande, dosado

Left allemande the corner, weave the ring

But I know that my heart will mend

You gotta swing and promenade the land

I'll get back on my feet and then

I'll do it all over again

CLOSER

Circle left

Then you're up, then you're down

Oh but the world keeps turning around

Left allemande, dosado

Left allemande the corner, weave the ring

But I know that my heart will mend

You gotta swing and promenade the land

I'll get back on my feet and then

I'll do it all over again
