

Side By Side

SIR-206

Called by Ingvar Pettersson

OPENER

Sides face grand square
We ain't got a barrel of money
Maybe we're ragged and funny
Well travel along singin' a song, we go side by side
Four ladies chain, you chain her back, Promenade
You promenade home while we're singing a song
We go side by side

FIGURE

Heads promenade go halfway, walk in and square thru
All the way and a right and left thru, veer left
Ferris wheel, you square thru 3
Swing your girl and promenade her
You promenade home while we're singin' a song
We go side by side

ALTERNATIVE LYRICS

Don't know what's coming tomorrow
Maybe it's trouble and sorrow
But we travel the road sharing our load

TAG

Swing, We travel the road while we're sharing our load
Side by side
