

# Let Your Love Flow

SIR-311

Called by  
Paul Bristow

## OPENER - CLOSER

Sides face grand square  
There's a reason for the sun in the sky  
There's a reason why I'm feeling so high  
Must be the season  
When that love light shines all around  
Left allemande and weave the ring  
Let your love flow like a mountain stream  
Swing your lady, promenade  
Let your love grow, you'll know what I mean  
It's the season

## FIGURE

Heads square thru gonna get you four hands around  
Swing thru the outside two and now  
The boys run right and 1/2 tag, girls run right  
Box the gnat and fan the top tonight  
Move up, swing thru, scoot back and then  
Swing your corner promenade that old ring  
And let your love flow, you know what I mean  
It's the season

## MIDDLE BREAK

Sides face grand square  
So let that feeling grab you deep inside  
And send you reeling where your love can't hide  
And then go stealing through the moonlit nights  
With your love  
Allemande left and weave the ring  
Let your love fly like a bird on a wing  
Swing your lady, promenade  
You'll let your love shine, you'll know what I mean  
That's the reason

## TAG

Four ladies chain across and back  
Let your love flow, you know what I mean  
It's the season
