

# From Both Sides Now

SIR-329

Called by  
Paul Bristow

---

## OPENER - MIDDLE BREAK - CLOSER

You circle left

\*Bows and flows and angel hair

And ice cream castles in the air

The men star right it's one time from there

Left allemande, weave the ring

Well I've looked at clouds from both sides now

You swing with your girl you promenade somehow

It's cloud illusions I recall

I really don't know clouds at all

## FIGURE

Heads square thru and you get 4 hands go

Your corner lady, dosado

Swing thru and the boys you trade

Boys run right and bend your line

Square thru 3 hands round and swing

Your corner girl you promenade the ring

It's cloud illusions I recall

I really don't know clouds at all

## ALTERNATE LYRICS

\*Moons and Junes and ferris wheels

The busy dancin' way you feel

\*Tears and fears and feeling proud

## TAG

You swing your girl there boy

I really don't know life at all
