

## Paper Roses

WWI-1011

Called By  
Sam Rowan

### Opener/Closer

Sides Face, Grand Square, I realize the way your eyes deceived me  
With tender looks that I mistook for love  
So take away the flowers you gave me  
And send the kind (that you remind me of)  
Allemande left and Weave  
Paper roses, paper roses Oh, how real those roses seemed to me  
But they're only imitation, like your imitation love for me

### Figure

Heads/Sides Promenade halfway round now, down the middle and Pass the Ocean, Extend,  
Swing Thru, Boys Run right, Couples Circulate, Ferris Wheel...,  
Double Pass Thru, Leaders Trade, the Corner Swing, Promenade,  
But they're only imitation, like your imitation love (for me)

### Middle Break

Sides Face, Grand Square, I thought that you would be a perfect lover  
You seemed so full of sweetness at the start  
But like the big red rose that's made of paper  
There isn't any sweetness (in your heart)  
Allemande left and Weave  
Paper roses, paper roses Oh, how real those roses seemed to me  
But they're only imitation, like your imitation love for me
