WWI-1021

Called By Tony Simmons

Circle left

*I worked in your fields this morning
I traveled your highways today
Allemande, left, dosido
Men star left around you go
Turn the partner right and go
Left allemande , swing and promenade
United States of America
I believe in the red, white, and blue

FIGURE

Heads flutter wheel and you sweep a quarter
Pass thru and do a dosido
Swing thru and then boys trade
Boys run and bend the line
Square thru 3 hands and go
Swing the corner girl, promenade
United States of America
Hallelujah, we love you

ALTERNATE LYRICS

*I'm so proud to sing your praises
And to live in the land of the free

TAG

Hallelujah we love you
