*Love, you made a place for me, Beside you in your arms Left allemande, come back a dosado now Left allemande and weave the ring It will be a loving place, Swing your Honey promenade Love, I owe my life to you 'cause you kept me from dying And dying's the only thing I haven't tried

ALTERNATE LYRICS

*Love, I'll build a place for us, And it won't matter where

*Love, I made a place for you, You'll find it deep inside
