Sides face, grand square,
Remember down in Austin, that time that we got tight?,
You told that "Good old boy" I wanted a fight,
Now I guesst you thought I'd take him, and you thought I could win,
I guess that is the reason that you didn't step in,
4 ladies promenade go inside the ring,
Well you're gonna get back home, swing and promenade,
You almost got me killed when you started to brag,
Thats when you ran out ... and left me holding the bag.
