Circle left

I'm Alabamy bound

Don't want no heebie-jeebies hanging around

Left allemande you go, come back a Dosado

Left allemande and weave that ring you know

And when I hear that sound

Ah, swing your honey, promenade 'em around

And then I holler so the world will know

Here we go, I'm Alabamy bound

FIGURE Mainstream, corner progression

Well now those heads promenade halfway around

While sides will do a right & left thru

Come on and square thru you go four hands around you know

Dosado and do an eight chain four

And when I hear that sound

Swing that corner, promenade 'em around

And then I holler so the world will know

Here we go, I'm Alabamy bound
