OPENER Circle left

I have travelled all around this country
In my time I thought I'd seen it all
Left allemande, come back a dosado
Men star by the left and you roll it round
Turn thru at home then do a left allemande
Swing your girl around and promenade
And high up above the statue of an unknown soldier
Old Glory was waving in the air

FIGURE

Heads square thru and get me 4 now
Around the corner lady dosado
Swing thru 2 by 2, then the boys run right
Bend the line and do the right & left thru
Flutter wheel full around and slide thru
Swing the corner girl and promenade
There's so many things I love about this country
America's the greatest land of all

MIDDLE BREAK - CLOSER

Sides face, grand square
Americana, picture of a people proud and free
Americana, you're still what living means to me
