

Square Dancing Man

CBC-38

OPENER

You circle left
He wears a Timex watch and a rhinestone suit
Silver buckles and rattlesnake boots
Walk around your corner, see saw your own
Left allemande and weave it you know
He lives in a shack way down by the sea
Turn thru, allemande left and promenade with me
He ain't got money
He's a square dancing man, yeah!

FIGURE

1 & 3 (2 & 4) promenade halfway I say
Walk in, pass the ocean, extend and the ladies trade
Swing thru, come two by two, the boys run right you see
Bend the line, do the right & left thru
Turn 'em on around and the ladies lead dixie style, make a wave
And the men will trade, recycle, veer to the right, promenade
He ain't got money
He's a square dancing man, yeah!

MIDDLE BREAK

Four ladies promenade roll it inside the set
Gonna meet your man, slide thru, join up hands, circle left
Men star right, you roll it round you will go
Allemande left and weave the ring
He calls hot stuff and yet he looks so cool
Swing and promenade, he's no fool
He smells of sweet success
He's a square dancing man

CLOSER

Sides face, grand square
You know ladies and gentlemen, when I became a square dance caller
I thought it was going to be a case of big bucks and fast women
But it just hasn't happened - in fact, business has been so bad that
Even the tax office is sending me sympathy cards
Four ladies promenade, roll it and go inside and then
You swing that man, promenade that ring
He smells of sweet success
He's a square dancing man

TAG

He's got no problems
He's a square dancing man
