

OPENER - -

Sides face, grand square
Ah, you've done me wrong but it won't be long
'Til my blues are out of sight
For that big green engine's ready to go
Rollin' out of town tonight
Allemande and weave
See the steam and hear the whistle scream
And we're off on a northern line
The 5:38's never known to be late
Rockin' and rollin' along on time
