GMP-121

Called by

### **OPENER - MIDDLE BREAK - CLOSER**

4 ladies chain across you know  
You roll away, circle left and go  
4 ladies roll away, circle awhile  
Allemande that corner girl and weave  
You don't have to say you love me, just be close at hand  
You don't have to stay forever, I will understand  
Believe me, I can't help but love you  
But believe me, I'll never tie you down

### **FIGURE**

Heads you promenade half way you know  
Down the middle and pass the ocean, extend the tag  
Swing thru and then, spin the top for me  
Move up and do the right & left thru with a half sashay  
Left square thru, on number 4  
You swing that corner girl and promenade the floor  
Believe me, I can't help but love you  
But believe me, I'll never tie you down
