

Christmas Medley

C-5000

Called by
Ken Bower

OPENER - CLOSER

Sides face, grand square
Jingle bells, jingle bells, jingle all the way
Oh what fun it is to ride in a one-horse open sleigh
Circle left
Jingle bells, jingle bells
Allemande left, come back and promenade
Oh what fun it is to ride in a one-horse open sleigh

FIGURE

Heads promenade halfway and then
Down the middle, a right & left thru and turn again
Come on square thru 4 hands now,
make a right hand star roll it one time and
now the heads star left, travel all the way
Swing the corner girl, promenade I say
*Santa Claus is coming to town

MIDDLE BREAK

Sides face, grand square
Jingle bell, jingle bell, jingle bell rock
Jingle bell chime in jingle bell time
Snowing and rowing and bushels of fun
Now the jingle hop just begun
Circle left
Giddyup jingle horse, pick up your feet
Do an allemande left, you swing and promenade
Mix and mingle in a jingle and beat
That's the jingle bell rock

ALTERNATE LYRICS

*A beautiful sight, we're happy tonight
Dancing in a winter wonderland

*And may all your Christmases be white

*Rudolph the red nose reindeer
You'll go down in history
