

Tulsa Time

Called By
Gary Shoemake

OPENER - MIDDLE BREAK - CLOSER

Circle left

*I left Oklahoma driving in a Pontiac
Just about to lose my mind
Left allemande your corner, dosado your own
Men star left one time, come on and
Turn your partner by the right hand round
Left allemande, swing your own and promenade on down
Cause you know that I've been through it
When I set my watch back to it
Living on Tulsa time

FIGURE

Well now the head two couples star thru
Same two do a u-turn back,
Split two Around just one, make a line,
go up and back
Pass thru, half tag,
swing your corner there
Left allemande, weave that ring
Just living on Tulsa time
Dosado and promenade them so fine
Cause you know that I've been through it
When I set my watch back to it
Living on Tulsa time

TAG

Living on Tulsa time

*There I was in Hollywood, wishing I was feeling good
Talking on the telephone line

Then I got to thinking, man I'm really sinking
But I really got a flash this time
