Opener, Middle Break & Closer

Four little ladies promenade once around and go  
Come on back, swing your partner, swing 'em high and low  
Join hands, circle to the left around and then,  
Allemande left and weave around the ring  
Gonna take a lot of river to keep this broken heart afloat  
Swing 'em, promenade around and go  
Gonna take the Mississippi, Monongahela and the Ohio  
Gonna take a lot of river to wash these blues away
