

If You've Got The Money

Called By
Jerry Haag

OPENER - MIDDLE BREAK - CLOSER

4 little ladies promenade, go walking round the ring now
Get back home and swing, swing with the guy you know
Join hands, circle to the left go walking round the ring I said
Allemande the corner girl and weave around that ring
Well, if you've got the money, honey, I've got the time
Do a dosado and then promenade that line
Bring along your Cadillac, leave my ole wreck behind
If you've got the money, honey, I've got the time

FIGURE

Head 2 couples square thru in the middle of the ring you know now
Find that corner there with a dosado somehow
Come on and swing thru, boys you run and now
Bend the line, reverse that flutter, get one somehow
Come on back and star thru and the corner lady swing now
Swing that corner girl, promenade that ring
*Bring along your Cadillac, leave my ole wreck behind
If you've got the money, honey, I've got the time

ALTERNATE LYRICS

*We'll hit all the night spots, dance and have some wine
