

Rockin' Pneumonia And Boogie Woogie Flu

Called by
Ken Bower

OPENER - MIDDLE BREAK - CLOSER

Four ladies promenade inside that old ring
Get back home give your man a swing
Join hands and circle to the left you know
Left allemande and then you weave that old ring
*I want to kiss her but she's way too tall
Dosado and then you promenade that hall
Young man rhythm's got a hold on me too
I've got the rockin' pneumonia and the boogie woogie flu

ALTERNATE LYRICS

*I want to jump but I'm afraid I'll fall

*I want to holler but the joint's too small

*I gotta feelin' baby, you ought to know

*I want some lovin' baby, that ain't all

FIGURE

Heads you promenade halfway
Sides a right and left thru and turn I say
Square thru four hands go round that old floor
Dosado your corner, do an eight-chain four
*I want to squeeze her, but she's way too low
Dosado and then you promenade that floor
Young man rhythm's got a hold on me too
I've got the rockin' pneumonia and the boogie woogie flu
