## OPENER

4 little ladies promenade  
Go once around that ring he said  
You're gonna get back home & swing with your baby  
Join hands make that ole ring  
Circle left, go round I sing  
Allemande left that corner, weave the ring now  
I don't care if the sun don't shine  
I don't care if the bell don't chime  
Swing that girl and promenade her  
I don't care if the top don't spin  
I don't care if the gin don't gin  
Just as long as you love me

## FIGURE

Head (side) two couples square thru  
You gotta get 4 hands around you do

Swing thru, it's 2 by 2  
Boy run around that Sue, couples circulate  
Chain down the line, now turn that girl & star thru  
Pass thru and trade by  
Swing the corner girl and you promenade her

Go once around that ring he said

Allemande left that corner, weave the ring now  
So darlin' let it rain, let it snow  
Let the cold north winds blow  
Swing my girl and promenade her  
I don't care if the birds don't sing  
I don't care if my bell don't ring  
Just as long as you love me
