Called By  
Glenn Wilson

## OPENER

Sides Face Grand Square  
Splish, splash I was takin' a bath  
Along about a Saturday night  
Rub-a-dub, just relaxin' in the tub  
Thinkin' everything was alright  
4 Ladies Promenade and go, once inside you know  
Swing your man and then Promenade back home  
Splish, splash - I forgot about the bath  
How was I to know there was a party going on

## FIGURE

Heads Square Thru 4 hands and go  
All the way and then do a Right & Left Thru  
You Veer Left, Couples Circulate  
Chain down the Line and then  
Pass the Ocean right here, All 8 Circulate  
Swing your corner lady, Promenade your date  
Splish, splash - I forgot about the bath  
I went and put my dancing shoes on

## MIDDLE BREAK

4 Boys Promenade one time you know  
Get back and Swing your lady round and go  
Join all your hands, Circle Left in time  
Left Allemande your corner, Weave that Ring  
There was a Lollipop with-a Peggy Sue  
Swing your corner lady, Promenade there too  
Splish, splash - I forgot about the bath  
How was I to know there was a party going on
